

Mon corps se crispe.

Mon cœur bat fort.

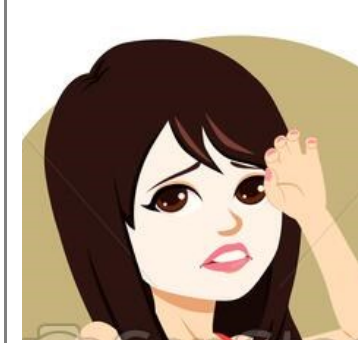

Je transpire.

Je suis agité.

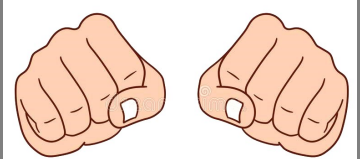

Je ne peux plus bouger.

Je pâlis.

J'ai chaud.

Mes poings se serrent.

J'ai les mains moites.

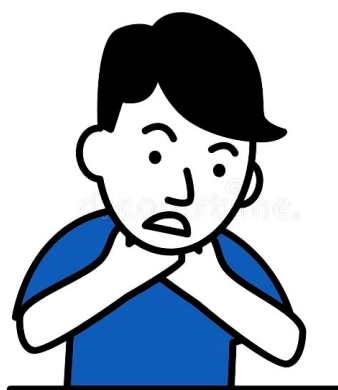

Mon corps se crispe.

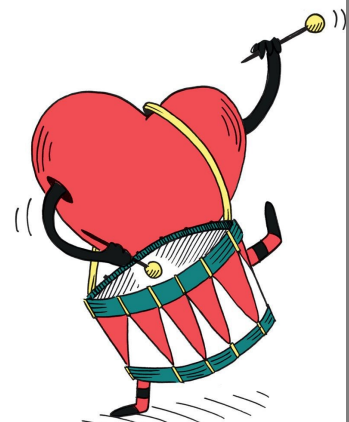

Je pâlis.

J'ai chaud.

J'ai la gorge nouée.

Mon cœur bat fort.

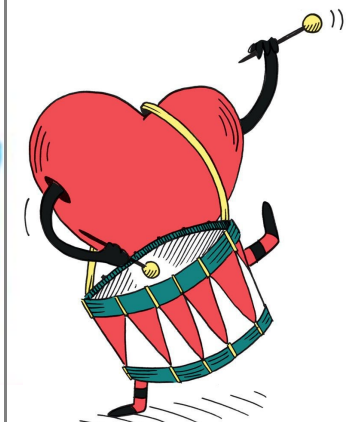

Je tremble.

Je ne peux plus bouger.

J'ai froid.

Mon cœur bat fort.
